

Fr8Labs Global Freight Forwarding

Standard Operating Policy & Customer Guidelines

Document Ref: F8-POL-2025-001 | Version 3.2 | Effective: 1 January 2025

1. PURPOSE AND SCOPE

This policy defines standard terms, transit commitments, documentation requirements, and claims procedures for ocean, air, and multimodal shipments handled by Fr8Labs and its appointed agents. It applies to all quotations (QT), booking confirmations, and house bills of lading (HBL) unless superseded by a signed customer master service agreement.

2. QUOTATION VALIDITY

All spot quotations remain valid for fourteen (14) calendar days from issue. Rates assume general cargo and standard free time unless noted. Rate adjustments apply if cargo weight or volume varies by more than 10% from quoted figures. BAF, CAF, and PSS are pass-through charges and may apply at shipment time.

3. STANDARD TRANSIT TIMES (INDICATIVE)

Mumbai to Singapore (ocean): 14-16 days standard, 10-12 days express. Mumbai to Rotterdam (ocean): 28-32 days standard, 24-26 days express. Chennai to Dubai (ocean): 8-10 days standard. Shanghai to Los Angeles (ocean): 18-22 days standard. Delhi to Frankfurt (air): 3-5 days standard, 2-3 days express. Bangalore to Hong Kong (air): 2-4 days standard. Transit begins at cargo receipt at origin, not quotation date. Customs holds and vessel rollovers are excluded from commitments.

4. DOCUMENTATION REQUIREMENTS

Commercial Invoice: minimum 3 copies ocean, 2 air; must show HS code and Incoterm. Packing List: required for all shipments; weights within 2% tolerance of invoice. Certificate of Origin: mandatory for ASEAN-India FTA and EU GSP claims. Fumigation Certificate: required for wooden packaging on Australia/NZ lanes. Dangerous Goods Declaration: booking 72 hours before cut-off for DG cargo. LC shipments: draft BL approval 5 business days before ETD.

5. LIABILITY AND INSURANCE

Fr8Labs forwarder liability is limited to USD 2.00 per kg or goods value, whichever is lower, unless agreed otherwise in writing. All-risk cargo insurance available at 0.35% of invoice value plus freight (minimum USD 50 per shipment). Visible damage must be noted on delivery receipt. Concealed damage claims within 3 business days of delivery.

6. FREE TIME AND DETENTION

Import FCL: 7 days combined free time at destination unless carrier tariff differs. Import LCL: 5 days at CFS; then USD 18/CBM/day storage. Export: 5 days from empty container release; day 6 onward USD 45/20ft or USD 75/40ft per day. Fr8Labs notifies consignee at day 3 of remaining free time.

7. PROHIBITED CARGO

Not accepted without prior Compliance approval: explosives, standalone lithium batteries above IATA Section II limits, live animals, counterfeit goods, sanctioned-party cargo, and personal effects over USD 5,000 on commercial lanes.

8. PAYMENT TERMS

Credit customers: net 30 days. New customers: prepayment until credit approved. Disbursement invoices due within 7 days. Late payment fee: 1.5% per month.

9. CLAIMS PROCEDURE

Notify claims@fr8labs.co within 7 days of delivery. Submit form F8-CLM-01 with invoice, packing list, photos, and survey report if applicable. Acknowledgement within 2 business days with reference CLM-YYYY-NNNNN. Settlement target: 45 days from

complete documentation. Maximum filing deadline: 9 months from delivery.
